PETITION FOR RULEMAKING

CWH Broadcasting Incorporated ("CWH Broadcasting"), hereby petitions the Federal Communications Commission for the initiation of a rulemaking proceeding to amend the FM Table of Allotments, Section 73.202 of the Commission's Rules, to assign FM Channel 228A to the community of Summit, Mississippi, as follows:

City	Present	Proposed
Summit, Mississippi	None	228A

1. As indicated in the attached Engineering Statement (attached hereto as Exhibit 1), Channel 228A can be assigned to Summit in complete compliance with the Commission's distance separation requirements as contained in 47 CFR §73.207. The reference coordinates: 31-17-25 N 90-17-41 W will show the 70dbu (city grade contour) entirely encompassing the city of Summit. Moreover, there is a wide area available for placing an appropriate transmitter

2. Summit is a town located in Pike County, Mississippi (pop. 36,882). According to the 1990 Census, Summit has a population of 1566 persons. Summit is located along Interstate Highway 55, 20 miles north of the Louisiana panhandle in south-west Mississippi. At present, Summit has no other FM service assigned to it. Therefore, the public interest will be served by the assignment of Channel 228A to Summit, Mississippi.
3. If the Commission Assigns Channel 228A to Summit, Mississippi, CWH Broadcasting will apply for a construction permit and will construct a new facility upon award of that permit.

Wherefore, in accordance with the above, CWH Broadcasting Incorporated respectfully requests that Channel 228A be assigned to Summit, Mississippi.

Respectfully Submitted,
